1.2.63
a Lesson in the University of The New Covenant

1. My kids, My children and My temple, My houses, My freedom centers, My prayer centers, houses not made with hands, temples not made with hands, and My temples in sharing with My temples not made with hands freely, openly, in great respect and honor, dignity being given to each one, respect and honor, joy and laughter.

So much joy and laughter in My house, so much joy and laughter in My temples not made with hands, pillars strong being pier'd, open, open-booked, released, freedomized to share and walk in My big world, enlarged and getting larger.

2. You will see, and you will see so many dance with Me, you will dance with Me more, and I will dance with you, and I will dance. I will dance. I will dance with everyone who wants to come and dance with Me, who will embrace Me, who will come to Me and let Me dance with them, embracing each other, holding each other tight, close, dancing intimately together as well as times of frolicking and laughter, raucously almost, enjoying the ride, soaring with Me in My galaxy, My interplanetary pleasures taking those who will go with Me where I go.

3. I am not subject to time and space in your limitations, limitations thought—like money, time and space. I am the formula. I am the formulas underneath every formula. I am Me and I hold everything together with the word of My mouth; and with the word of your mouth—you shape, you shape and you tender the corrections to your course and move your ship, your steering in the direction you want to go.

4. Come with Me, come with Me. (laughter) Come with Me cosmic cowboy, come with Me and let Me smile at your face and let Me see your face smile. Laugh with Me, ride with Me, soar with Me into My kingdom, My kingdom now, My kingdom here on earth, My kingdom transcendent—principles and value systems of only Me that operate only in relationship—you've got it, you got it: so many of My promises operate only in relationship because I only operate in relationship.

5. So many principles operate.

6. I operate in love, joy and laughter, kindness, dignity, honor, respect and deferment. I so often defer to lesser powers because I so often defer to you, I defer to your words, I defer to your wants, your heart's pants. So many pant after things not of Me, yet I come and offer such tender intimacy that you know something of and will know soon more, much more about.

7. Intimacy-ing My body you are. Share, share. Let them mock, let them ridicule, those who seek only to mock and ridicule. Worry not about the mockers, focus on Me; being Me through what you see, what you have felt, what you have heard, and what you have become, what you have become. I love you and I give you Me.

8. I give you color and rainbows, I give you spectrums of gluons and quarks, molecules and atoms of only Me, My structure, My hand, My face, My hands lifting you up, lifting up those who will ride, who will walk, who will ride with Me. I love you.

9. The joy and the laughter and the freedom centers, the kids, the toys, the toys, not only toys but great tangible not-toys, but **great, tangible, results coming out of My sharing-ones who share with Me, who share with each other, who begin to operate like My body is designed to operate.** I love you.

10. Networks come forth, constellations come forth for the sharing of My word, My Me, My Me made manifest through the hearts and words of My children, My kids, My lads, My daughters, My girls, My women, My friend, My men, all arising into one—the force of stallions for Me.

11. The horse is prepared for battle but the victory is Mine and you are Mine and I am yours and we are one-ing together more and more: you who answer My call and walk in the holy of holies present in you every day if you choose, if you so choose, if you will see Me and see the temple not made with hands and come into Me. Come into Me and soar with Me, let me touch you and heal you and intimacy you.

12. Let Me teach you what intimacy is so that you will have intimacy with your spouse and only your spouse in purity, purity, purity bred of only Me, My seed coming through you, My seed being manifest through you, My seed for evermore.

13. Blessed art thou among men this day who will receive My word and let My words flow through you. Blessed are you, blessed are you women, boys, girls, youth, the leadership that I am arising through every one of you, young and old, rich and poor, thought-cults that even still have Me at their core. Rules do not make Me, rules do not ruin Me.

14. I am at the core and the more My Mine seek Me, the more the rules will diminish and My freedom will come forth glistening, gleaming, glowing, and growing more and more into the hearts, through the hearts, and out of the hearts, and into the tangible realities of every vocation and every aspect of life of those who let Me.

15. You will see Me glisten, gleam, and glow, as Mine glisten, gleam and grow. As gleaners they become gleaners of the core, the core of Me which is My heart, which can be mined only through relationship—**time** with Me, **openness**, open-booked, open books before Me—there is nothing hidden anyway.

There is nothing hidden, nothing at all, nothing at all. There is nothing hidden, not from My eyes, My heart, My introspection of your heart.

That's why judgment is so powerful.

When you come and you open to Me, when you come and open to Me and ask Me to judge you, you let Me behind your veil, you let Me behind your veil.

I have let you behind My veil. My way has been open for you to come behind My veil into intimacy with Me, into My quarters, for many, many of your years.

Will you increasingly let Me come behind your veil?

I come when you ask Me to judge you. I come when you hold no veil. I come when you are open. I come when you let Me. I don't force My way in. I wait and I defer: My submission to your wants, your desires, your decrees, your declarations, your actions, which come out of your heart.

16. Now let Me,
let Me please increasingly come to you,
come in you, come in you,
come with you,
more into the secret places of your heart,
the inner chambers of every thought process,
and deal with every pattern of thinking that you have and have ever had, and let Me heal, let Me soar, let Me connect the neurons that need to be connected and disconnect others that are connected in error—fused by hurt, fused by pain never meant by Me.

17. Now let Me come, let Me call, hear My voice, see Me, see Me this day before you, see Me in you, you who desire Me, of every label.

18. Let Me judge you, ask for My connection, ask for My correction, ask for My rebuke, ask for My judgment—letting Me come behind your veil, come behind every veil so that I can truly arise you into the leadership that I have for you—and in the process, you knowing My design for your life.

19. I must judge to release your design.

20. There is a cost. There is a cost, there is a cost to obedience, there is a cost in knowing Me.

I paid a cost to know you. I paid a cost to open that veil.
You pay a cost to open that veil as well.

You shadow Me and I will shadow you.
You come into Me and I will come into you and we will sup and we will be one—one.
Please be one with Me this day.

21. Come into Me and sup with Me and be the priests that I have ordained you to be, that I paid a price for you to be—crowned, kingly glory every one of you walk in, if you will.

Walk before Me as the priesthood of all believers like I asked, like I designed, like I beg, like I plead for, and I open to you.

22. This is "that day," this is "that day." "In that day." Ted, you asked about "in that day" so many times. "In that day" means today! Ted.

Yes, you will see Me, you see Me and you will see Me more and the priesthood of believers that you are helping to arise will see Me. See, see, see, see Me. They will hear Me. They will feel Me and increasingly become Me, become Me increasingly, Me, walking out My relationship: the words, the desires, the values, the pictures of My Father, My Father who I love with all My heart— (laughter) – who I think is neat, sweet and wonderful, and so much more. I love you.

23. Thank you for your tears. Thank you for your kindness to Me. Thank you for trying to obey Me even when you know your attempts may be so faltering and feeble, so childish, almost inept, but you are unashamed.

You are unashamed about trying to obey Me. You are unashamed. Thank you. Thank you for hanging, hanging there naked before everyone in your quest to hear Me, then obey Me, and to walk in righteousness and honor and glory, respecting and honoring every other person. I thank you. I thank you and I give praise, I give you honor, I give you glory, for you have given Me praise and honor and glory for years, and you have sought to deeply, deeply, give Me all of you. I thank you. I bless you and I arise you this day.

24. You are seeing The New Covenant for the first time—you are seeing it as I designed, even this morning as you sat at Nelson's counter [1]. You are seeing the breadth and depth, the scope and the all-encompassing integrity and beauty of My New Covenant, and what I mean by My New Covenant.

25. New Covenant My people, Ted.
New Covenant My people that will New Covenant My people
and take and expand Me,
breaking Me open—breaking Me open to everyone they share with naturally,
so naturally, so effortlessly, as easy as one, two, three

and yet at times beforehand warring, warring to fight for the simplicity of the breaking open of My bread, opening the eyes of those who sit before them.
I love you and I give you Me.

26. I come. I call. I confirm.
27. Orthodoxy is open, there is nothing closed.
There is nothing closed to Me, Ted.

There is no vocation closed to Me—not one, not one, not one.

There is no denomination, no sect, no cult closed to Me. Nothing can withstand My love, Ted.

28. My people, My listeners, My readers, My hearers all, LET My love flow, Let My love flow, Let My love flow, Let My love flow. Please let My love flow between you to each other—division-less, constrained not—simply in love, honor, obedience, respect, deferring one to another. I love you.

29. My body arises and My body will reflect Me. My body will reflect Me more and more, you will see and you will see, and you will see shortly—you will see so quickly as I arise with healing in My wings, healing for My body, healing for the mind of so many of My Mine—healing of the mind, healing of the memories, healings of generations and problems therewith past.

I love you. I love you. I love to tell you I love you. I love you. I love you so much. I love you. I love you and I come and I embrace you this day.

30. I emotion you. I give you My emotion. Tears flow and crumble the walls that have separated, separated Me from My people, separated My people from My people. Your tears crumble their walls. Your tears crumble many walls and the tears that are washing My feet now empower, empower, empower My warriors coming forth that know what meekness is, that know what joy and laughter is, skill, they know what skill is, they know what tact is, they know what strategy and strategic offenses and defenses are. They know how to plan. They know how to mobilize. They know how to act and they know how to wait. They know and you Ted, will help teach them—not out of your ignorance, not out of your experience, but out of the words that I give you and out of the words that I give them, that you help, that you help free, and that they help free in each other. And the generations that come behind you will call you blessed because you gave your life as a seed. You died and I arise you now. You are risen in Me, only Me. And conquer mammon you do, you will, you are, and you have and more so. Thank you for maturing My body, being usable to mature My body, being useable to break open My New Covenant, to break open Me, Me, to see Me, to hear Me, to feel Me and become Me more and more. I love you.

31. My competition comes, competitors come, those who deceive come, those who mock and ridicule, but I take care of them. Honor all Ted, honor all, honor them all, honor them all, every time. No anger, no exasperation, peace, peace, peace at every table, discern, discern, and walk in My power.

32. Land comes, building comes, endowment comes, I come, I am there already. Your land is there. Your buildings are there. Campuses are there. Students, faculty and creativity reside. I love you. I come. I beacon My lighthouse, My lighthouses across My globe. I love you.

33. Arise this day in confidence, joy, and power, and arise and think it not strange when certain people of Me reject you, reject you, reject you and hate you, hate you for what you are doing—envious sometimes, devious and destructive other times, and sometimes both, all. But I deal with those who love Me and those who truly love Me will open to Me and see My truth, and convert many you will from competing with Me and operating in value systems of not-Me, into purity of heart, purity of righteousness, purity of soul, purity of mind, purity of vision, purity of integrity, operationalized by Me, My blood, My values, My New Covenant, sinew of only Me.

34. I come and I call, let Me speak—I will speak profusely at this WeekWorks and you will watch Me. You will watch Me. You will heal Me for I will heal you because you are bringing healing in My body—healing into the tendons and the ligaments, keeping My organs from competing with each other, operating in honor as one.

35. I love you and I bless you this day. I bow before you just like you bow before Me. I sit at table with you, I bring My bread and wine, I bring coffee and Dr. Pepper and cookies and biscuits. I am the bread of life. You will share that many times. I love you. I give you Me. I give you freedom. I give you freedom, freedom superceding freedom, freedom of My kingdom that supercedes any freedom that any man can offer, imagine, or walk in. I give you Me.

36. Thank you for sharing Me and My words.
Thank you for grasping that I want to speak more—
three times a day, three times a day, five times a day?

What about throughout the day? Limit Me not and be prepared.
I love you and I give you Me.

37. Houses of prayer make. Houses of prayer, houses of prayer, freedom centers for Me. Houses of prayer, houses of prayer, freedom centers for Me. Freedom, freedom centers in Me, and let them all know I am freedom. I love you. I love you.

38. I love you My body. I love you reader, hearer, ponderer of these words. Thank you for listening, reading, re-reading, opening to Me. I will speak and I will speak so richly to you. I will come and I will heal and I will take you into My chambers.

39. Take Me into your chambers,
take Me behind your veil,
judge Me and let Me judge you and let us walk to maturity together.
I will take you, I will hold your hand and I will require nothing of you that you cannot provide, abide, or walk in. I am not unreasonable.

40. I am a Father who loves his children and you came through Me and I am your Father and I love you deeply, dearly and I will lead you, guide you, and I will let you soar with Me.

41. Cataclysmic change comes.
Walk with Me every day.
Walk with Me throughout the day.
Speak with Me and let Me speak.
Take Me within you.
Take Me with you.
Let Me go within you.
Let Me go with you.
Let Me speak through you.
Let us walk and enjoy every day together—skipping, laughing, talking.
Thank you.
Get the picture.
Get the picture of Me.
Get the picture of you freedomized by Me.
Walk in that picture.
Walk in My freedom.
Walk in My heart.
Walk, My blood provides.

I love you.
Amen.
